Agreement v1.0

Professional Conduct

Tutors must maintain professionalism, respect, and integrity at all times within the ScienceDojo platform.

Teaching Standards

Deliver clear, structured, and student-focused lessons that align with ScienceDojo teaching standards.

Communication

Maintain clear, timely, and supportive communication with students and administration.

Safety & Ethics

Any misconduct or breach of safety policies may result in platform removal.

Platform Engagement Policy

ScienceDojo operates as a trusted learning environment. To maintain fairness and platform integrity, all lessons, communication, and transactions must take place within the ScienceDojo platform.

Off-Platform Communication & Solicitation

Tutors must not share personal contact details (phone numbers, emails, social media) for the purpose of conducting lessons outside the platform. Any attempt to move sessions, payments, or communication outside ScienceDojo is strictly prohibited.

Client Relationship Protection

Tutors agree not to independently engage, solicit, or accept private arrangements with students or families introduced through ScienceDojo.

Payment & Session Policy

All payments and scheduled sessions must be conducted exclusively through ScienceDojo. This guarantees transparency, security, and proper support.

Platform Integrity

Tutors must not bypass the platform or misrepresent academic qualifications, experience, or credentials.

Compliance

Tutors agree to provide accurate information and valid documentation for verification.

Policy Violation

Any violation of platform integrity policies may result in immediate suspension and permanent removal. ScienceDojo reserves the right to take appropriate action to protect its community.

Community Values

At ScienceDojo, we believe in building a respectful, supportive, and growth-focused learning environment. Tutors are expected to act in a way that reflects these values.
